

Lounge and relax with us as you are introduced to the centuries old pleasures of the Hookah. Listen to the gurgling of the water filtering and flavoring your experience while drawing from the long hose winding from the base. Let relaxation overtake you as you experience the unique and mystical fun of the Hookah. Select from many different flavors of top quality imported Shisha (tobacco) to give you the smoking experience of a lifetime, among which are flavors exclusive to the Mediterranean Hookah Lounge and Cafe.
